

# Clinical Psychologist/General Psychologist Wanted

## About Us

We are a small private practice in North Lakes that has been operating since 2014. We are looking for an independent contractor to join our team. We work on a percentage split arrangement with above market rates. You can see anywhere from 4-7 patients per day adjusted to your individual comfort level. We would be happy to develop a caseload based on your interests; whether that is one particular area or if you seek a varied caseload.
